CASE # 9:17-cr-00011-RC-KFC-1

18 U.S.C. 3582(c)(1)(A) MOTION TO REDUCTION OF SENTENCE - Compassionate Release
DUE TO COMPELLING OR EXTRAORDINARY CIRCUMSTANCES
COVID 19

I

On April 3, 2020 Attorney General Barr sent out a Memorandum to the Director of the BOP that directed the BOP Director to review all inmates with risk factor that put them at greater risk of the COVID 19 and transfer them to home confinement.

The CDC has said that the following groups of people are at higher risk of severe illness from the COVID 19
People of all ages with underlying medical conditions particularly if not well controlled:

- people with chronic lung disease or moderate to severe Asthma
- people who have heart condition
- people with severe obesity (Body mass index of 40 or higher)
- people with diabetes
- People with liver disease
- People with chronic kidney disease undergoing dialysis
- people who are immunocompromised (many conditions can cause a person to be immunocompromised, immune deficiency, poor controlled HIV or AIDS, prolonged use of corticosteroids and other immune weakening medication, smoking etc.

II

The CORONA VIRUS Disease 2019 is spreading in all parts of the United States including its prisons. There is no vaccine or cure for this deadly disease. The CDC recommends protecting oneself from the disease by frequent handwashing, frequent sterilizing of surfaces, and individuals remaining at a distance of at least six feet from each other. It is impossible to do that at this facility. There is and has been staff and inmates here with the COVID 19.

III

AG Barr named FCI Oakdale, FCI Danbury, FCI Elktara, FCI Yazoo, FCI Butner, FCI Forrest City as facilities where the COVID 19 is rapidly spreading.

I put in a request to the warden for compassionate release on or about ^{APR 16} 2020 and to this day I haven't gotten a response. I ~~am~~ am asking this court to reduce my sentence. I was sentenced to do time not die in prison at the time I signed for time. The court could not have foreseen these extraordinary or compelling circumstances. I believe warrant consideration for time cut.

IV

§ 55050.50 Inmate may file directly to court

AFTER 30 DAY RECEIPT OF REQUEST BY WARDEN OR
AFTER EXHAUSTION OF ADMINISTRATIVE REMEDIES

II

I ASK THIS COURT TO PLEASE CONSIDER THIS
MOTION. THE COVID 19 IS ONE OF THE WORST
DISEASES TO EVER HIT THE WORLD AND THERE
IS NO END IN SIGHT. PEOPLE ALL OVER THE
WORLD ARE ~~DIEING~~ Dying.

Thank you
